A group of approximately 20 children, mostly girls, are gathered in a forest clearing. They are wearing various outdoor clothing, including jackets, hats, and backpacks. Some are wearing pink jackets, while others are in blue or black. They are looking towards a man on the right side of the frame. The man is wearing a red helmet with a headlamp, a high-visibility yellow and red jacket, and dark pants. He is holding a tool, possibly a chainsaw or a brush, which is lying on the ground. The background is a dense forest with tall trees and green foliage. The ground is covered with grass and some fallen leaves.
